

***Application for Energy Steward Recognition***  
**Greater Columbus Energy Commission**  
 Deadline: September 1, 2011

**Eligibility:** Any residential customer of Columbus Water & Light may apply.  
**Recognition:** GCEC will provide an ENERGY STAR® rated floor lamp of its choosing for any applicant who achieves the GCEC's standards for sustainable energy use. To be considered for recognition, four or more of the items below must be checked.

*Applicant Information*

<b>Applicant name:</b>	
<b>Residence address:</b>	
<b>Home phone:</b>	<b>Other phone:</b>
<b>Email:</b>	
<b>Columbus Water &amp; Light Account Number:</b>	

We believe that our home has achieved the checked energy efficiency best practices below and request a verification visit from a representative of the GCEC in order to see if we qualify as an Energy Steward of Columbus.

Check all those that you believe apply to your home:

<b><i>Check if applicable</i></b>	<b><i>Energy feature</i></b>	<b><i>Notes</i></b>
	We have one or more of the following ENERGY STAR appliances: clothes washer, dishwasher, refrigerator, dehumidifier, electronics such as computers, televisions. 	Model numbers available or Energy Star symbol visible. Please list each below or on the back of this form.
	Our electric water heater tank has additional insulation jacket and foam pipe insulation.	
	All of our windows have storm windows or feature sealed double panes.	
	We purchase at least one block of renewable electricity from Columbus Water & Light/WPPI Energy's Renewable Energy Program. (One block required to receive recognition.)	Number of blocks purchased each month _____
	Our house has a solar energy system for electricity, hot water or space heating or a geothermal energy system.	
	HVAC – Our home's air conditioning equipment has a SEER rating of 13 or more.	SEER ratings specifications available
	HVAC – Our home's furnace is high efficiency.	Rated greater than 90%
	Other sustainable energy practice (e.g. wood, waste or biofuel use) Please describe –	Continue on back if needed
