

## Columbus Area Senior Center – 2012 Survey

**STOP!** Please don't throw this away. If you are at least 50 years young we need your input. The role of senior centers is rapidly changing and we need your feedback in order to match our services, activities and programs with your interests. "Old" is not in our vocabulary. Let us know what you would like from **your** senior center and we will work to make this a center that truly meets your specific interests. We want to be as diverse as our community!

Thank you!
