

COLUMBUS COMMON COUNCIL – COMMITTEE OF THE WHOLE - AMENDED
TUESDAY, JUNE 30, 2020 – 6:00 PM
COLUMBUS CITY HALL
AGENDA

Due to the COVID-19 Pandemic, the City has adopted practices to reduce the number of people gathering at one time, and facilitate social distancing. Residents wishing to comment are encouraged to email The Mayor, their Alderperson(s) or the City Clerk prior to the meeting to keep in-person attendance at a safe number. Email correspondence to the City Clerk will be made part of the record.

The use of masks that cover the nose and mouth is highly encouraged for all in attendance.

Because of the social distancing requirement the seating configuration of the Council Chambers has limited seats available for the public during this meeting. If the seating capacity is not sufficient to handle all of those wishing to speak, there will be a designated area to line up just outside of the Council Chambers. Excess participants will be allowed into the Chambers to make comments, but if there are no vacant seats when they conclude their comments, they will need to leave the Chambers so the next citizen can have their opportunity to comment.

This meeting, like our regular meetings, is broadcast live on Spectrum Channel 980, and will be available for online viewing.

ITEM: Abbi Adams Petition

DETAILED DESCRIPTION OF SUBJECT MATTER:

Upon learning of a petition circulating in regards to the Christopher Columbus Statue, staff began researching the details of the statue in preparation for any City Council discussion, particularly related to the ownership status and history, and any other information regarding the transfer of the Statue to the City of Columbus. Because we have heard conflicting information regarding the ownership and details of the statue, the following questions and responses may help establish baseline facts about the statue.

Who owns the Statue of Christopher Columbus?

The City of Columbus is the owner of the Christopher Columbus statue. In April of 2012, the "1992 Columbus Quincentennial Celebration, Inc." group legally transferred the statue and the land it occupies to the City.

Who owns the property where the statue is located?

Based on the Columbia County GIS maps, it appears the State of Wisconsin Department of Transportation owns the parcel where the statue is currently located. During 2015, the Right of Way was changed in advance of work on State Highway 16/60, and while the land given to the City by the 1992 quincentennial group changed ownership at that time, the statue remained in place.

What can the City do with the statue?

The simple answer is that the options are to leave the statue or to remove it. No matter which of those paths are chosen, there are probably additional questions that will need to be answered or issues that need to be addressed.
