

# Grand Opening Warner Street Park

Enerpac's (a division of Actuant Corporation) corporate "Give Where You Live" program was established in an effort to give back to our local community. Our Columbus location donated time and funds to build a community park located at Warner Street (on the city's west side) for community leisure and enjoyment. The initial work included children's play equipment and more equipment may be added in the future. Stay tuned!

Enerpac would like to invite you to the Grand Opening of the Enerpac Playground on Warner Street! **The Grand Opening will be held on Saturday, May 4, from 1:00 – 3:00 p.m.** (If the weather is not cooperating, the rain date for this event would be Saturday, May 11 instead.)

## The Grand Opening will include:

- Goodie Bags for the first 100 kids
  - Culver's frozen custard
  - Balloon animals
  - Glitter Tattoos

•  
And of course....time to enjoy and explore the new playground

**We hope to see all of you there Saturday May 4th ~ rain date Saturday May 11th.**

**The Park is open now—get out and Play!**
