Sign Permit Guidelines

Application Fee

The application fee for a sign permit is \$50 and the fee must be submitted prior to approval.

Required Submittals

Per 114-138 (1)(C) the following items are required with a sign permit.

1. The approved site plan for the subject property showing the location and dimensions of all buildings, structures, and signs on the subject property; such subject property boundaries; and the location of the proposed sign;
2. The configuration of the proposed sign listing the height, width, total square footage, setback distance from properties and back of curb, proposed copy, method of attachment, method of illumination, sign materials and colors
3. The subject properties zoning designation
4. If located in the historic downtown sign overlay district the sign permit application must be accompanied by a "Certificate of Appropriateness" from the Historic Landmark Preservation Commission.
5. The total area and number of all signs by type on the subject property both before and after the installation of the proposed sign.
6. A copy of the common sign plan if such a plan is required under subsection 114-136(1)a.(6).

Sign Type

Awning Sign. Signage on a temporary or permanent hood or cover that projects from the wall of the building that can be retracted, folded, or collapsed against the face of a supporting structure.

Ground sign or pole sign. Any sign that is supported by structures or supports in or upon the ground and independent of support from any building (also referred to as "freestanding sign").

Marquee sign. Any sign attached to and made part of a marquee. A marquee is defined as a permanent roof-like structure projecting beyond a building wall at an entrance to a building or extending along and projecting beyond the building's wall and generally designed and constructed to provide protection against weather.

Projecting sign. Any sign extending more than 18 inches, but less than five feet, from the face of a wall or building.

Wall sign. Any sign attached to, erected on, or painted on the wall of a building or structure and projecting not more than 18 inches from such wall.

Window sign. Any sign located completely within an enclosed building and visible from a public way.
