

## Columbia County Medication Assisted Treatment (MAT) Program

The Columbia County Medication Assisted Treatment (MAT) program is a collaborative program, developed to provide an innovative approach to treating heroin and opioid prescription drug addiction.

The MAT Program will facilitate referrals to medication-assisted treatment, as well as ongoing case management services to individuals struggling with heroin and opiate addiction.

# Access to Mental Health or Substance Abuse Services

## What is Medication Assisted Treatment (MAT) ?

MAT is a community based, person centered, wrap around model of support and services to individuals struggling with heroin and opioid prescription drug addiction. Services may include information, education, withdrawal support, comprehensive AODA and Mental Health Assessment, recovery planning, case management services, access and referral to Vivitrol providers, registered nurse consultation, referrals to doctors and clinics for primary medical concerns, behavioral health needs, community resources, and/or working with your family and loved ones in establishing or reestablishing healthy supportive relationships.
